ASQ Buffalo 2018 Problem Solving Showcase

John Lupiensi will return to Chair this year's ASQ Buffalo Conference. This year's conference will be a Showcase featuring the Best Problem Solving Teams in WNY from Manufacturing, Financial & Health Services and Students from UB. The Showcase of Problem Solving Teams will occur in the morning with awards presented to the Top 3 Teams. The Showcase will continue with afternoon training sessions featuring various Problem Solving methods, tools and techniques. We will also offer an all day ISO9001:2015 Audit Training class.

Companies interested in presenting or require additional details please contact John Lupiensi at jl.sixsigma@gmail.com or 716-830-4620. ASQ UB Students should contact Dianna Cichocki at diannaci@buffalo.edu or 716-560-5755.
