

## 2018 Conference Bios

### **Matthew D Rigerman**

**OpEx Associates**

Matt recently started a Management Consulting firm, OpEx Associates, LLC to assist local WNY companies in quality / continuous improvement. Whether its Lean, Six Sigma, Quality Management Systems, or Operational Excellence, OpEx Associates can assist by delivering the skills needed to empower any size organization. Matt started his career in Operations, holding an MBA - Operations Management from UB. Throughout his career, he has aspired to learn and grow his skills in continuous improvement, earning his Master Black Belt in Lean Six Sigma as well as numerous ASQ certifications. He is currently employed with AMETEK as a Director of Operations & Quality.
